A new development of Luxury Lodges & Resort Homes in tranquil surroundings

CREATING COMMUNITIES - GLENDEVON

Be closer to nature at picturesque Glendevon, surrounded by some of the most spectacular scenery in Perthshire. This outstanding resort is set amidst heather covered mountains with breath-taking views across the glen. Clear air, pure waters, lush countryside teaming with wildlife and highland grandeur, make Perthshire the perfect destination all year round! Outdoor lovers will appreciate being this close to nature where walks, fishing, shooting and hunting are in abundance.

Situated in the heart of Scotland, Perthshire is the place to find all that you would expect of Scotland. Most of Perthshire is little more than one hour by road or rail from Glasgow or Edinburgh, but a world apart. There are many towns and places to visit in Perthshire including Dollar, Auchterarder, Gleneagles and the Fair City of Perth. Highland Perthshire has some of the most scenic Scottish glens. Take a walk in Perthshire and discover why this beautiful region is known as 'Big Tree Country', home of the tallest trees and widest conifers in Britain.

Use some of the 250 miles of way marked paths to get to the Roman camps, medieval castles and whisky distilleries. Venture into the hills and mountains of the Cairngorms National Park in Highland Perthshire to see the wildlife; or head out with a guide to learn more about the animals and see the best sights. Once you've soaked up the stunning scenery of outdoor Perthshire you can head into the city to find shops, cafés, restaurants, art galleries and theatres. The Tormaukin restaurant and pub is only 1.5 miles from the resort itself. Framed by two grand public parks and the striking Tay Street Promenade, Perth is a lovely city offering the best in shopping, nightlife and culture.
