Finishing touches

With practical and stylish apartments, a superb range of living facilities and a truly fantastic location in the heart of southern Scotland, there has never been a better time to purchase a Moffat Academy Apartment.

Arrange a viewing today to discover your brand-new lifestyle.

Welcome to your new Academy Apartment

Built in 1932, the iconic Moffat Academy has undergone an extensive £3m redevelopment project transforming the building into a stunning luxury apartment complex perfect for the more mature resident.

The Academy has retained many of its original features and now offers a selection of high specification one and two bedroom apartments. Each apartment has been designed with ease of maintenance in mind, featuring contemporary open plan living spaces, integrated appliances and spacious, fitted bathrooms.

The Academy is surrounded by fully landscaped grounds offering a mix of private and communal gardens. There's also communal lounge and library where you can relax and spend time with family and friends, so make the move to a new, relaxing way of life today.

Style with substance

Both our one and two bedroom apartments are fully self-contained with spacious, open-plan living areas, stylish fitted kitchens complete with the latest integrated appliances and ample storage space.

You'll also find a generously sized master bedroom in each property along with beautifully designed

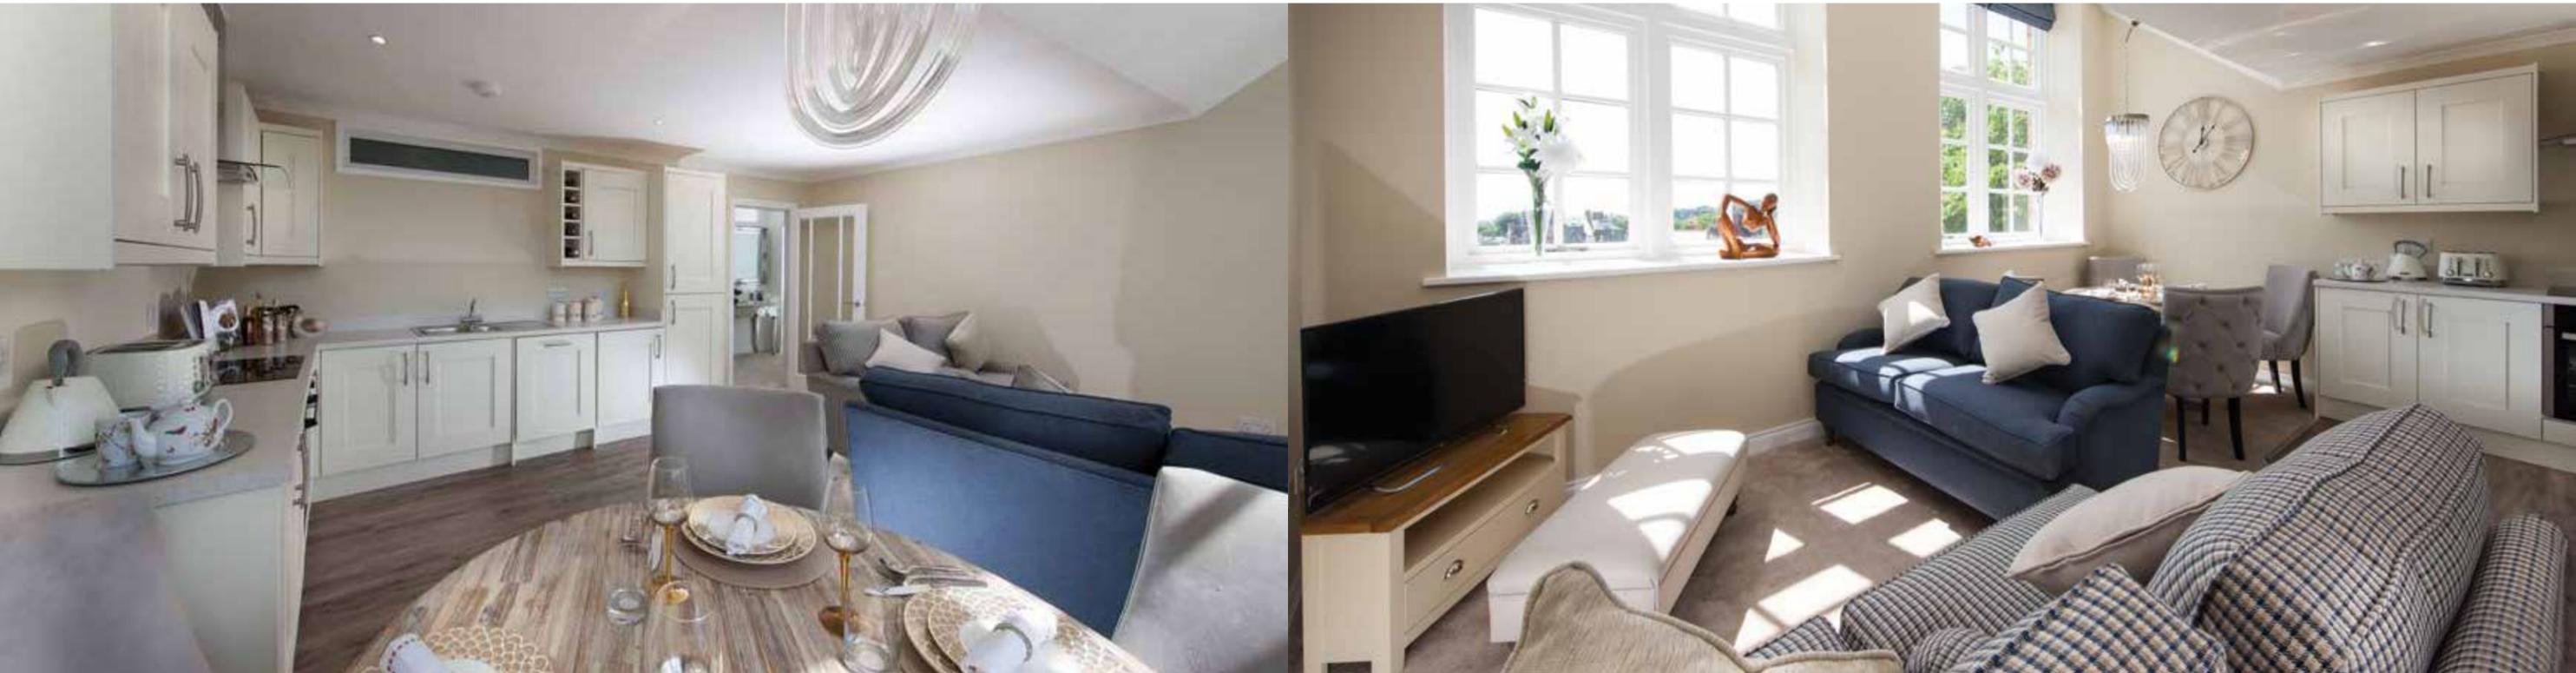

bathrooms featuring walk-in shower facilities.

Each of our apartments have been carefully designed to make life easier with the needs of our customers in mind, so please let us know if you have any specific requirements for your new home.

A perfect fit

Whatever your needs, our apartments provide an affordable way to enjoy a more relaxed lifestyle in a beautiful, safe location with like-minded neighbours. We can also arrange to part-exchange your current property.

Luxury as standard

No expense has been spared when it comes to designing the apartments, from the fixtures and fittings to the luxurious kitchen and en-suite bathroom facilities. All apartments are central heated and double glazed throughout to help keep running costs to a minimum.

Choose the living space that suits you from 55m² to 90m² depending on the number of bedrooms you require, and you are more than welcome to arrange a viewing to see the current selection of available properties and three stunning show suites.

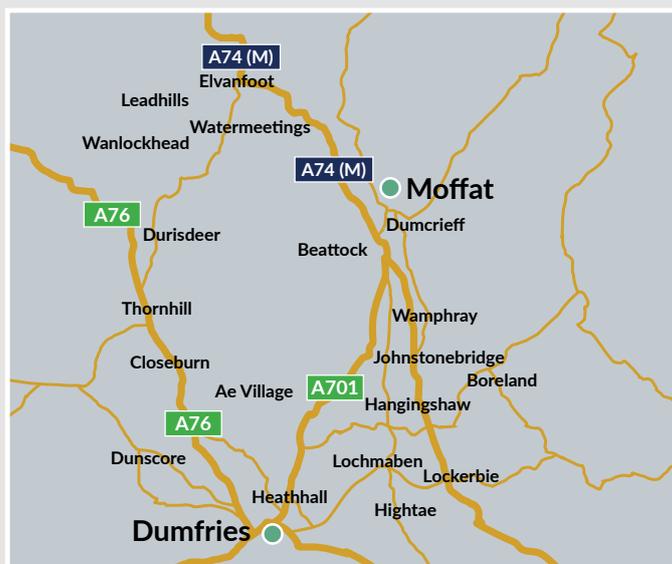

Creating communities

Community is an important part of life at Moffat Academy, which is why we have a selection of purpose-built communal areas where you can enjoy your leisure time and social activities with other residents. And, if you want to invite your family or friends to stay over, there's ample private parking.

Pets are also more than welcome, and there are some beautiful landscaped gardens for you to enjoy all year round. In addition, all external property maintenance including gardening, window cleaning and general maintenance is taken care of.

For more information or to arrange a viewing or Part Exchange Valuation of your current property, call our agents McEwan Fraser Legal on 0131 524 9797 open 7 days a week.
