****Timeshare**** A Glenmor Luxury holiday lodge is more than just a holiday home. Each luxury lodge features a full range of modern amenities including a fully-connected entertainment system, satellite television, complimentary wifi internet, a fitted kitchen and a laundry area. This opportunity comes with two bikes during your stay and 1 x Gold card for access to the golf course.

Lodges also feature a scenic veranda with patio furniture - perfect for dining under the stars with partners, family or friends. The five-star concierge service will ensure that your needs are catered to every day: from helpful advice about the estate and its surroundings to food deliveries right to your doorstep. Your time within the lodge can be as active or as relaxing as you desire but, when the day is done, there are few greater pleasures than cooking a delicious meal before curling up in front of the fire in your home away from home.

Sitting at the heart of the 850-acre Gleneagles Hotel Estate, Glenmor is made up of 2, 3 and 4-bedroom luxury lodges, all set around the lochan and village green. The Glenmor Village consists of some 53 homes, each designed by the internationally renowned designer, Amanda Rosa, and finished to a luxurious standard, without losing their contemporary country charm.
