We are delighted to offer to the market, this stylish and spacious two-bedroom modern apartment, set on a top-floor position and benefiting from excellent natural light and stunning views. The property is offered to the market in absolutely immaculate condition with a range of neutral finishes that look as good now as when new. It is clear to see the apartment benefits from the impeccable care and attention to detail that the current owner has lovingly lavished upon it.

THE LOUNGE/DINER

Accommodation comprises a bright and airy open-plan lounge. The abundance of natural light flooding in from the large bay window along with the spacious accommodation offers a perfect space for relaxing or entertaining friends and family. There is ample space for the dining table or workstation.

THE KITCHEN

The modern kitchen is ideal for the apartment, finished in an attractive range of high gloss mahogany units, with a gas hob, electric oven, integrated fridge freezer and washing machine. It's a very efficient and stylish environment for any chef to prepare an excellent meal.

To help ensure the apartment is always clutter-free, there's ample storage space throughout. The tiled bathroom is bright and fresh with a white suite including an electric shower over the bath.

The two double bedrooms in this apartment are spacious and afford the rooms more than ample space for free-standing furniture. The master bedroom has sliding mirrored wardrobes which bounce the light around and provide excellent storage.

There is also access to ample loft storage via a hatch in the hallway.

THE BATHROOM

BEDROOM 1

BEDROOM 2

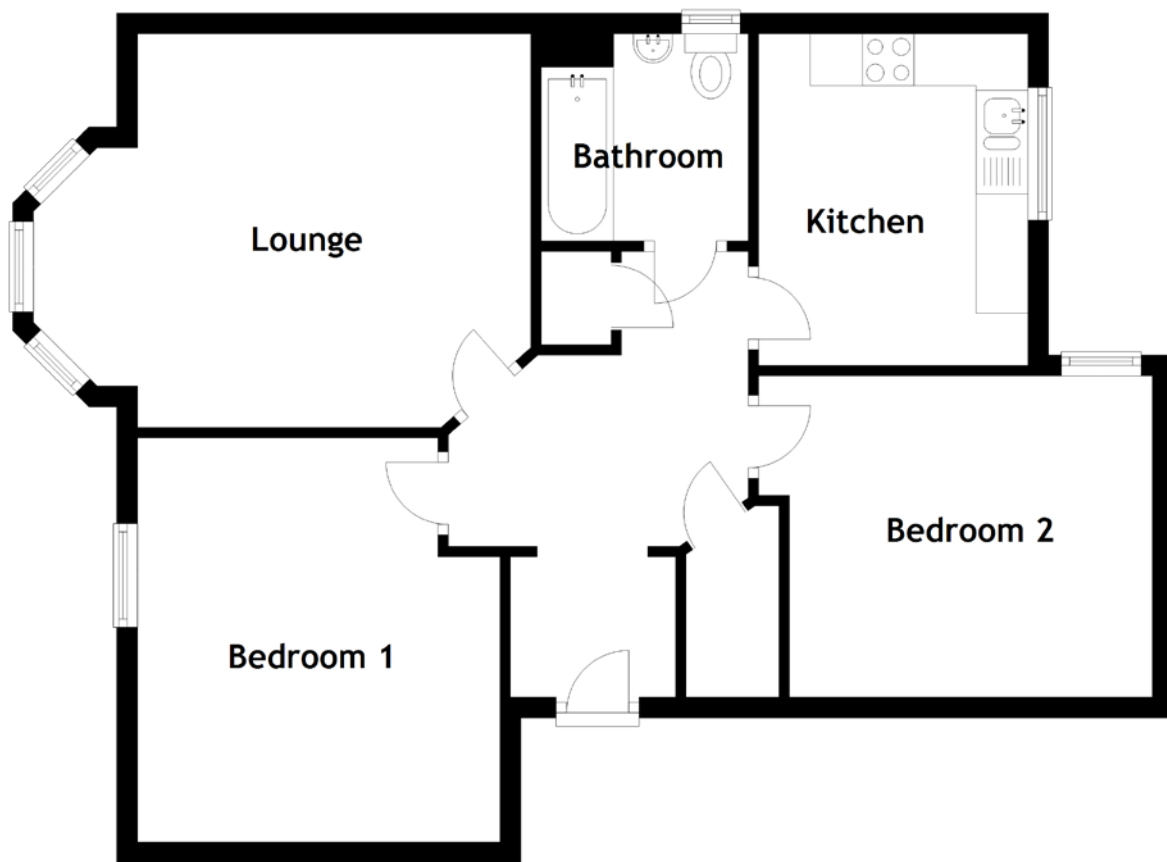

The apartment is always warm, comfortable and secure via double glazing, gas central heating, and a secure entry system. There is residents' parking in the area adjacent to the rear of the building. There are also well-kept communal grounds.

This is a property that has really been enjoyed by the current owner, given its well-appointed accommodation, immaculate condition and convenient location. Some properties tick all the boxes; this is certainly one of them. Early viewing is strongly advised for 'canny' Buy-To-Let investors, First-time Buyers or indeed anyone looking for a perfect apartment with space, flexibility and style, and where all the hard work has already been done.
