THE LOCATION

Lasswade, a few minutes from Bonnyrigg, is a small thriving village in the county of Midlothian, just eight miles from Edinburgh City centre. The area is surrounded by open countryside and forms part of a crescent of similar small towns stretching from Musselburgh in the east through Dalkeith, Eskbank, Bonnyrigg, Loanhead, Roslin to Penicuik in the west.

Lasswade consists of beautiful walks within the surrounding countryside and alongside the River Esk. You will find bars and restaurants in the Papermill and Luci's Restuarant. Bonnyrigg itself is an excellent shopping town and people travel in from a wide radius to take advantage of its opportunities. A great deal more than normal daily requirements are catered for in this location and there is also a good choice of banking and Post Office services. Should you require bigger high street brands, a retail park at Straiton includes a Sainsbury's supermarket, TK Maxx, Boots, M&S food store and other high street names, one of Scotland's few IKEA stores is also available in this location and it is all within an eight-minute drive from the property.

Within the town, there is a library, a swimming pool with additional leisure facilities, tennis courts, a golf course at Broomieknowe and another at Newbattle. There is a sports complex at Lasswade High School, a bowling green near the school and no end of local social activities. There are schools of both denominations locally available also. In recent years, the road network in this area has improved significantly. As a consequence, the City Bypass can now be reached in a matter of minutes. Thereafter, every major trunk route is within the easiest possible reach. Lasswade is a convenient location for anyone who is required to travel throughout Scotland perhaps in connection with their job. There is a regular and frequent bus service into the city of Edinburgh which also enjoys an express city centre service at peak times. By car, the trip takes less than twenty minutes except at peak times.

Finally, if this isn't enough, the new Borders railway line passes through the area, providing an easy commute into Edinburgh for anyone needing to travel for work.
