Dundee is situated on the north bank of the Firth of Tay, and bounded by the Sidlaw Hills, modern Dundee is known as the 'City of Discovery' - a vibrant city with a rich history. Its recent, extensive regeneration has created an attractive and dynamic location, boasting all the amenities and attractions you would expect from Scotland's fourth-largest city. Dundee has two world-class universities, some excellent schools and a leading further education college, plus an excellent range of leisure facilities to cater for all the family. There is a mainline railway station, with services to the south and a regional airport with flights to London City, Belfast and Birmingham. The A90 dual carriageway provides fast access to Perth and central Scotland, as well as to Aberdeen.

Carnoustie, with its world-famous golf course, is very easily reached. There are a number of other fine links courses in the area including Barry, Panmure and Monifieth. St Andrews is also within easy driving distance. There is sailing on the Tay and pleasant sandy beaches along the coast. The Angus Glens lie to the north. Dundee and Abertay Universities are both located within close reach. The Technology Park and Ninewells Hospital and Medical School, the largest teaching Hospital of its' kind in Europe are also easily accessible.
