We are delighted to offer to the market this Late Victorian two-bed traditional apartment, set in one of Glasgow's most popular Southside locations. The room dimensions of this lovely property are a timeless reminder of an earlier era, when properties were built to a size and standard of excellence, rather than just a budget. The beautiful high ceilings, large windows and spacious room dimensions allow natural light to flood the rooms, just enjoying the open space gives the occupant a real sense of peace and relaxation.

THE LOUNGE

Accommodation comprises: a spacious double-aspect lounge featuring a large bay window, with tall skirtings and beautiful original window panelling detail. The large hallway has a handy storage cupboard, and the area benefits from the original cornice detail still intact, adding charm and character to the apartment.

The large kitchen diner is a great place to serve a meal, it's well-appointed with a fantastic range cooker, with space for a washing machine and freestanding fridge freezer.

The tiled shower room has a white suite, with a mains shower set within a large shower enclosure. There are two spacious bedrooms in this lovely apartment, both with plenty of space for free-standing furniture. The apartment is kept warm and comfortable with gas central heating.
